

Laura's LIBRARY
Teen Volunteer Application

Date _____

During the school year and in the summer months, teenagers are selected to volunteer at the Westbank Community Library. Students work directly with our library staff and visitors, shelving, and assisting with some duties at the Circulation Desk. The volunteer time may be used as community service hours for service projects. The Friends of the Library award two scholarships annually to graduating seniors who have volunteered a minimum of two semesters during high school.

Conditions: Volunteers must be 13 years or older, have a mature attitude and be responsible and dependable. Scheduled shifts are from two to three hours per week, and require a minimum commitment of at least one semester or full summer. It is the responsibility of the volunteer to find a substitute for their shift if they are not able to work. **Volunteers must contact the Circulation Coordinator at 314-3581 to notify them of the date they will miss and the name of the person who will substitute for them.**

I am interested in volunteering during (*check one or both*): The school year The summer
